Join us for this two-day executive residency program designed to provide IT leaders and alumni of U.Va.’s M.S. in the Management of IT Program with a cutting-edge learning experience. Participants will be introduced to the latest approaches to leadership, innovation, emerging technologies, IT architecture, and social networking. Through case studies, research reports, hands-on exercises, interactive classroom discussions, and networking, participants will have the opportunity to capture a vital new set of knowledge and skills.

PROGRAM LOCATION
The program will be held in Rouss & Robertson Halls, the McIntire School of Commerce’s state-of-the-art new home in the heart of Jefferson’s “academical village.”
